

## Cummersdale Parent/Teacher Association

---

Dear Parent/carer,

Spring is around the corner and after a great summer expanding the school garden last year the PTA are eager to raise funds and supplies to make 2020 another great year for growing.

During the month of February, If parents/grandparents have any unused gardening supplies at home that could be used in the school garden we would be very grateful if you could drop them into the main office. Any donations are much appreciated no matter how big or small.

We are grateful for whatever is spare. Some examples may include;

- Packets of Seeds,
- Plant pots (plastic or pot),
- Gardening tools
- Bags of Compost.
- Plant labels etc
- Mini grow houses or cold frames

Also, if you are growing/purchasing vegetable or bedding plants for your own garden and have a few spare these would be great to get us started.

This year the school will also be registering with the RHS school gardening campaign. The campaign really encourages community involvement so any help from parents with green fingers is much appreciated. Please speak to one of the PTA members if you would like to get involved.

Many thanks in advance;

Cummersdale PTA
