Total					£	

This is a booking form for the Before School Care facility for the first half of the Spring term.

The facility runs from 8.00am in the school hall each morning until 8.45am. It is managed by one of our current staff. Parents can drop their children at the front door of school any time after 8.00am.

Children will be able to take part in games, do art activities or use the school I-pads.

There will be a set charge of £2 per day.

Please use the grid above to indicate which days you would like your child to attend and return it to school. Our *Schoolmoney* system will keep a record of attendance and parents will receive a bill at the end of the first week. Alternatively, money can be paid in advance on *Schoolmoney* if easier.

If additional sessions are required, please let the school know with as much notice as possible. However, the current numbers are relatively low so booking in at short notice should not be a problem.
