

Art Progression Map

Level Expected at the End of EYFS

Expressive Arts and Design (Exploring and Using Media and Materials)

Children safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.

Expressive Arts and Design (Being Imaginative)

Children use what they have learnt about media and materials in original ways, thinking about uses and purposes. They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories.

Key Stage 1 National Curriculum Expectations	Key Stage 2 National Curriculum Expectations
<p>Pupils should be taught:</p> <ul style="list-style-type: none">• to use a range of materials creatively to design and make products;• to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination;• to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space;• about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.	<p>Pupils should be taught:</p> <ul style="list-style-type: none">• to develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design;• to create sketch books to record their observations and use them to review and revisit ideas;• to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay];• about great artists, architects and designers in history.

The national curriculum for art and design aims to ensure that all pupils by the end of year 6:

- produce creative work, exploring their ideas and recording their experiences;
- become proficient in drawing, painting, sculpture and other art, craft and design techniques;
- evaluate and analyse creative works using the language of art, craft and design;
- know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.

Children have the opportunity to use a variety of materials for sculpting and experiment with joining and constructing. They begin to use the correct vocabulary associated with sculpting and construction to demonstrate their understanding of the skill.

KS1 Art and Design National Curriculum

To become proficient in sculpting techniques.

To use sculpture to develop and share their ideas, experiences and imagination.

Children can:

- a use a variety of natural, recycled and manufactured materials for sculpting, e.g. clay, straw and card;
- b use a variety of techniques, e.g. rolling, cutting, pinching;
- c use a variety of shapes, including lines and texture;
- d use key vocabulary to demonstrate knowledge and understanding in this strand: sculpture, statue, model, work, work of art, 3D, land art, sculptor, carving, sculpture, installation, shapes, materials, pyramid, abstract, geometric.

KAPOW units to support progression

Year 1

Learn about form and space through making sculptures and developing language

Learn a range of materials and techniques such as clay etching, printing and collage.

Understand patterns in nature, design and make patterns in a range of materials:

Art & Design Skills: Experimenting with Media

Art & Design Skills: Lego Printing

Sculptures & Collages: Lesson 1: Snail

Sculptures

Children still have the opportunity to use a variety of materials for sculpting. They experiment with joining and construction, asking and answering questions such as, 'How can it go higher?' Children begin to understand more about decorating sculptures and adding expression through texture. They use a variety of tools to support the learning of techniques and to add detail.

KS2 Art and Design National Curriculum

To become proficient in sculpting techniques.

To improve their mastery of art and design techniques, including sculpting with a range of materials.

Children can:

- cut, make and combine shapes to create recognisable forms;
- use clay and other malleable materials and practise joining techniques;
- add materials to the sculpture to create detail;
- use key vocabulary to demonstrate knowledge and understanding in this strand: rectangular, concrete, terrace, architect, 2D shape, brim, peak, buckle, edging, trimmings, shape, form, shadow, light, marionette puppet.

KAPOW units to support progression

Year 3

Further develop their ability to describe 3D form in a range of materials, including drawing
Use materials such as paper weaving, tie dying, sewing and other craft skills to design and make products.

Formal Elements: Shape 3: Working with Wire
Prehistoric Art: Lesson 3: Prehistoric Palette
Craft: Lessons 1-5

Art and design skills Craft and design 1 – Craft puppets

Art and design skills Craft and design 2 – Sock puppets

Children still use a variety of materials for sculpting and experiment with joining and constructing. They begin to understand more about clay modelling and using different tools with clay. They will be more reliant on their own ideas and knowledge of sculpture during the planning and designing process.

KS2 Art and Design National Curriculum

To become proficient in sculpting techniques.

To improve their mastery of art and design techniques, including sculpting with a range of materials.

Children can:

- a plan and design a sculpture;
- b use tools and materials to carve, add shape, add texture and pattern;
- c develop cutting and joining skills, e.g. using wire, coils, slabs and slips;
- d use materials other than clay to create a 3D sculpture;
- e use key vocabulary to demonstrate knowledge and understanding in this strand: form, structure, texture, shape, mark, soft, join, tram, cast.

KAPOW units to support progression

Year 5

Further extend their ability to describe and model form in 3D using a range of materials

Create mixed media art using found and reclaimed materials. Select materials for a purpose.

Formal Elements: Lesson 2: House Monoprints

Formal Elements: Lesson 4: Be an Architect

Formal Elements: Lesson 5: Monument

Design For Purpose: Lesson 1: Coat of Arms

Children have the opportunity to look at and practise a variety of techniques, e.g. weaving, dyeing and plaiting. They explore which textiles are best to use and produce the best result. Children will also explore decorating and embellishing their textiles to add detail, colour and effect.

KS1 Art and Design National Curriculum
To become proficient in other art, craft and design techniques – textiles.

To develop a wide range of art and design techniques in using colour, pattern and texture.

Children can:

- a show pattern by weaving;
- b use a dyeing technique to alter a textile's colour and pattern;
- c decorate textiles with glue or stitching, to add colour and detail;
- d use key vocabulary to demonstrate knowledge and understanding in this strand: textiles, fabric, weaving, woven, placemat, loom, alternate, over, under, decoration, decorative, batik dye, dye, wax, resist, crayons, ink, apply, set.

Children develop their weaving and colouring fabric skills further. They are also introduced to the skill of stitching in Lower KS2.
KS2 Art and Design National Curriculum
To improve their mastery of art and design techniques with a range of materials – textiles.

Children can:

- a select appropriate materials, giving reasons;
- b use a variety of techniques, e.g. printing, dyeing, weaving and stitching to create different textural effects;
- c develop skills in stitching, cutting and joining;
- d use key vocabulary to demonstrate knowledge and understanding in this strand: pattern, line, texture, colour, shape, stuffing, turn, thread, needle, textiles, decoration.

Year 3

Use materials such as paper weaving, tie dying, sewing and other craft skills to design and make products.

Formal Elements: Shape 3: Working with Wire

Art & Design Skills: Craft & Design 1: Craft Puppets
Art & Design Skills: Craft & Design 2: Sock Puppets

Art & Design Skills: Craft & Design 3: Shadow Puppets

Prehistoric Art: Lesson 3: Prehistoric Palette

Craft: Lessons 1-5

Construct a variety of patterns through craft methods. Further develop knowledge and understanding of pattern.

Craft: Lesson 2: Tie-Dyeing Materials

Year 4

Children further develop their weaving, overlapping and layering techniques. They experiment with a range of fabrics including non-traditional fabrics.

KS2 Art and Design National Curriculum
To improve their mastery of art and design techniques with a range of materials – textiles.

Children can:

- a experiment with a range of media by overlapping and layering in order to create texture, effect and colour;
- b add decoration to create effect;
- c use key vocabulary to demonstrate knowledge and understanding in this strand: colour, fabric, weave, pattern.

<p>Children experiment with shape and pattern, looking at repeated patterns and different materials to make texture, e.g. sponges.</p> <p>KS1 Art and Design National Curriculum To become proficient in other art, craft and design techniques – printing.</p> <p>To develop a wide range of art and design techniques in using colour and texture.</p> <p>Children can:</p> <ul style="list-style-type: none"> a copy an original print; b use a variety of materials, e.g. sponges, fruit, blocks; c demonstrate a range of techniques, e.g. rolling, pressing, stamping and rubbing; d use key vocabulary to demonstrate knowledge and understanding in this strand: colour, shape, printing, printmaking, woodcut, relief printing, objects. <p>Year 1 Learn a range of materials and techniques such as clay etching, printing and collage.</p> <p>Art and Design skills: Lego Printing Art and Design Skills: Printing: Great Fire of London</p> <p>Understand patterns in nature, design and make patterns in a range of materials.</p> <p>Art & Design Skills: Experimenting with Media Art & Design Skills: Lego Printing Sculptures & Collages: Lesson 1: Snail Sculptures</p>	<p>Children use a variety of printing blocks, e.g. coiled string glued to a block, and explore what effect making their own blocks has on shape and texture.</p> <p>KS2 Art and Design National Curriculum To improve their mastery of art and design techniques with a range of materials – printing.</p> <p>Children can:</p> <ul style="list-style-type: none"> a use more than one colour to layer in a print; b replicate patterns from observations; c make printing blocks; d make repeated patterns with precision; e use key vocabulary to demonstrate knowledge and understanding in this strand: line, pattern, texture, colour, shape, block printing ink, polystyrene printing tiles, inking rollers. <p>Year 4 Make art from recycled materials, create sculptures, print and create using a range of materials.
