Due to this half term being shorter and the additional bank holidays, along with existing events in school, our after school activities for this half term will only run Tuesday to Thursday from **Tuesday 29 April** until **Thursday 22 May** with Drama, Film and Musical Theatre continuing. After school care only will be available for 22- 25 April and the Mondays and Fridays for the remainder of the term.

As always, after school care is also available for those pupils not eligible for clubs on a particular day and is run by Mrs Haughan and Miss Breare.

To secure your child's place, please pre-book online via your SchoolMoney account. The available activity clubs will remain live on your account until they are either fully booked or until Monday 28 April.
