						Total - £

This is a booking form for the Before School Care facility for the first half of the autumn term – Wednesday 6 September to Friday 20 October 2023.

The facility runs from 8.00am in the school hall each morning until 8.45am. It is managed by one of our current staff. Parents can drop their children at the front door of school any time from 8.00am.

Children will be able to take part in games, do art activities or use the school iPads.

There will be a set charge of £2 per session.

Please use the grid above to indicate which days you would like your child to attend and return it to school as soon as possible. Currently, our *SchoolMoney* system will keep a record of attendance and parents will receive a payment request at the end of each week. However, in the near future we will be moving our booking system online and parents will be required to book and pay for their sessions, in advance, on the SchoolMoney system.

As the number of children attending these sessions has gradually increased, it is important that you pre-book where possible. As always, if additional sessions are required, please contact the school office on 01228 592087 as soon as possible.
